示范问题 1

(Alan as Examiner): Do you or your friends like using social media?

(Alan as Student Tianxiang): "Yes, absolutely. My friends and I use social media platforms every day to stay connected and share interesting things from our lives. It can be a distraction from our studies. However, I also see it as a valuable tool for getting inspiration, for example, for my baking or photography hobbies."

> **答案为什么好?**

- **思路与结构:**
  1. **给出辩证的回答:** 开头没有简单说"是"或"不是",而是说 `sometimes`,显得很客观。
  2. **承认负面影响:** 承认有时会"漫无目的地刷手机"(`scrolling mindlessly`),并且会"分散学习注意力"。

(Alan as Student Tianxiang): "That's an interesting thought. As a computer science student, I'm fascinated by the technology behind social media, like the recommendation algorithms.
