

商店中的好服务

回答

Describe a time when you received good service in a shop 描述一次你在商店获得良好服务的经历

A:

1. 介绍商店和背景 (简单说明是哪家商店和基本情况)

I want to talk about a camera shop near my university. I went there last month to buy a new lens for my Nikon Z30 camera.

我想谈谈我大学附近的一家相机店。我上个月去那里为我的尼康Z30相机买一个新镜头。

2. 描述服务过程 (具体说明店员如何提供帮助)

The shop assistant was really helpful. He spent almost an hour showing me different lenses and explaining which one would be best for taking photos of landscapes and city scenes.

店员非常乐于助人。他花了将近一个小时给我看不同的镜头，并解释哪一款最适合拍摄风景和城市景观。

3. 说明服务细节 (补充具体的服务内容)

He also let me try each lens on my camera to see how they worked. When I couldn't decide, he gave me his honest opinion instead of just trying to sell the most expensive one.

他还让我在我的相机上试用每个镜头，看看它们的效果如何。当我无法决定时，他给出了诚实的意见，而不是只想卖最贵的那款。

4. 表达个人感受 (说明这次服务的积极影响)

I felt very happy with the service because he was patient and knowledgeable. It wasn't just about selling something - he really wanted to help me make the right choice.

我对这次服务感到非常满意，因为他既耐心又专业。这不只是关于销售东西——他真心想帮我做出正确的选择。
