提示词

现在我们对经历类进行串题。用尽量少的经历数量完成串题，给出每个经历的设定，每一个话题的

串题

好的，Tianxiang，我们来到了最后一类，也是最考验综合叙事能力的“经历类”话题。这一类话题的核心在于“讲故事”。

好消息是，一个好的故事，就像一个万能的剧本，可以改编成不同的版本来应对多个话题。根据你的个人信息，我们有一个非常核心、独特且充满细节的经历可以作为我们的“王牌素材库”。

核心经历：我的第一次科研与论文发表 (My First Research Project and Paper Publication)

这个经历非常棒，因为它不是一个简单的事件，而是一个完整的过程。它包含了目标、困难、努力、合作、等待和成功，几乎囊括了所有积极经历类话题的元素。

- **经历设定 (Experience Profile):**
 - **背景:** 作为一名计算机专业的学生，在导师的指导下，进行关于“时间序列 (time-series)”的研究。
 - **目标:** 完成一篇高质量的学术论文，并投稿到国际期刊。
 - **过程:** 期间遇到了很多挑战，比如编程中遇到 bug (debugging)、研究方向走入死胡同 (hitting a dead end)、撰写英文论文时的语言障碍 (language barriers in academic writing) 等。
 - **结果:** 最终，论文被成功录用发表。这是一个让你非常有成就感的经历。

现在，我们来看看如何用这个“王牌经历”来串联一系列的话题。

用“科研经历”串联的话题

1. 克服困难终成功 (A time you overcame difficulty to succeed)

- 思路: 这简直是为这个经历量身定做的话题。完整地讲述你从遇到困难到最终成功的整个过程。
- 逻辑链:
 - 我的经历是关于发表我的第一篇学术论文 → **The experience was about publishing my first academic paper.**
 - 困难 1 (技术上): 在处理时间序列数据时, 我的代码一直出错 → **Technically, my code kept giving me errors when I was processing the time-series data.**
 - 困难 2 (思路上): 我一度对我的研究方向是否可行产生了怀疑 → **Mentally, I once doubted if my research direction was feasible.**
 - 如何克服: 我花了很多时间调试代码, 并和我的导师深入讨论, 调整了研究方案 → **I spent a lot of time debugging and had in-depth discussions with my supervisor to adjust my research plan.**
 - 最终成功: 经过几个月的努力, 我的论文终于被一家国际期刊录用了, 那一刻我感觉所有的辛苦都值了 → **After months of hard work, my paper was finally accepted by an international journal. At that moment, I felt all the effort was worthwhile.**

2. 被夸赞的经历 (A time you were praised)

- 思路: 描述论文被录用后, 你的导师是如何表扬你的。
- 逻辑链:
 - 在我第一篇论文被录用后, 我得到了导师的夸赞 → **I was praised by my supervisor after my first paper got accepted.**
 - 场景: 我把录用邮件转发给了我的导师, 他立刻回复了我 → **I forwarded the acceptance email to my supervisor, and he replied to me immediately.**
 - 夸赞的内容: 他在邮件里说, 我做得非常出色 (I did an excellent job), 并对我的勤奋和坚持表示了肯定 (he acknowledged my diligence and persistence) → **He said in the email that I did an excellent job and acknowledged my diligence and persistence.**
 - 你的感受: 得到他的认可是我最大的动力, 这比论文录用本身更让我开心 → **Getting his recognition was the biggest motivation for me. It made me even happier than the acceptance of the paper itself.**

3. 决意等待 (A time you decided to wait for something)

- 思路: 描述你将论文投递出去后, 等待审稿结果的那段时期。
- 逻辑链:
 - 我曾经等待过一个非常重要的东西: 我的论文审稿结果 → **I once decided to wait for something very important: the peer review results of my paper.**
 - 背景: 在我把论文提交给期刊后, 我知道我什么也做不了, 只能等待 → **After I submitted my paper to the journal, I knew there was nothing I could do but wait.**
 - 等待时长: 这个过程持续了大概三个月 → **The waiting process lasted for about three months.**
 - 等待的心情: 那段时间非常煎熬 (It was quite nerve-racking), 我每天都会查看好几次邮箱 → **It was quite nerve-racking, and I would check my email several times a day.**
 - 为何值得: 虽然等待很难, 但这是通往成功的必经之路, 最终的结果证明等待是值得的 → **Although waiting was hard, it was a necessary part of the path to success, and the final result proved that it was worth the wait.**

4. 印象深刻的谈话 (An important conversation)

- **思路:** 描述在你研究遇到瓶颈时，和导师的一次关键性谈话。
- **逻辑链:**
 - 我想说一次和我的导师之间印象深刻的谈话 → **I'd like to talk about a memorable conversation with my supervisor.**
 - 谈话背景: 当时我的研究项目进行得不顺利，我感到很沮丧 → **At that time, my research project was not going well, and I felt very frustrated.**
 - 谈话内容: 我向他说明了我的困境，他没有直接给我答案，而是引导我思考问题的根源 → **I explained my difficulties to him. Instead of giving me a direct answer, he guided me to think about the root cause of the problem.**
 - 关键作用: 他的几句话点醒了我，为我提供了新的思路 → **His words of wisdom enlightened me and provided me with a new perspective.**
 - 结果: 这次谈话是我的研究能继续下去的转折点，非常关键 → **That conversation was the turning point that allowed my research to continue. It was crucial.**

5. 争论 (An argument)

- **思路:** 将“争论”理解为一次积极的、学术上的辩论，比如和导师或同学就一个技术细节进行的讨论。
- **逻辑链:**
 - 我想说一次学术上的争论，发生在我和我的导师之间 → **I'd like to describe an academic argument I had with my supervisor.**
 - 争论焦点: 是关于我们研究中应该使用哪种算法模型 → **The focus of the argument was about which algorithm model we should use in our research.**
 - 双方观点: 我倾向于用一个更新的模型，而他认为传统的模型更稳定 → **I preferred to use a newer model, while he thought a traditional one would be more stable.**
 - 过程: 我们都摆出了自己的理由和数据来支持自己的观点，整个过程非常激烈但很专业 → **We both presented our reasons and data to support our views. The whole process was intense but very professional.**
 - 结果: 最后我们找到了一个结合两种方案优点的折中办法。这次争论让我学到了很多 → **In the end, we found a compromise that combined the advantages of both approaches. I learned a lot from that argument.**

6. 校外学到的重要事情 (An important thing you learned outside of school)

- **思路:** 你学到的最重要的事就是“坚持”和“如何面对失败”，这是课堂上学不到的。
- **逻辑链:**
 - 我在做科研项目时学到了课堂之外很重要的一课 → **I learned an important lesson outside the classroom while doing my research project.**
 - 学到的东西: 那就是如何面对失败和坚持不懈 (how to face failure and to be persistent)。
 - 具体情景: 在编程时，一个小小的 bug 可能需要花几天时间去修复，这个过程非常打击自信心 → **During coding, a tiny bug could take days to fix, and this process can be very frustrating and damaging to your confidence.**
 - 感悟: 我明白了，成功不是一帆风顺的，失败是常态。重要的是失败后能重新站起来继续尝试 → **I understood that success is not a smooth journey, and failure is normal. The important thing is to get back up and try again after you fail.**

较难串联的话题（单独准备）

以下这些话题更侧重于日常生活、社交或特定场景，用科研经历来套会比较生硬。我们为它们准备简单独立的小剧本。

1. 糟糕购物 (A bad shopping experience)

- 思路: 描述一次网购经历，买到的东西和描述严重不符。
- 逻辑链:
 - 在网上买了一件衣服 → I bought a piece of clothing online.
 - 问题: 照片上看起来很好，但收到的实物颜色和材质都很差 → It looked great in the photos, but the actual item I received had a terrible color and texture.
 - 后续: 我联系了客服，但是退货过程非常麻烦 → I contacted customer service, but the return process was very troublesome.
 - 教训: 这让我明白网购不能只看图片，还是要多看评论 → It taught me that when shopping online, I shouldn't just look at the pictures but also read the reviews carefully.

2. 迟到 / 失约 (A time you were late / missed an appointment)

- 思路: 这两个可以合并，描述一次因为意外而迟到，最终错过了和朋友的约会。
- 逻辑链:
 - 有一次我和朋友约好去看电影 → I had an appointment with my friend to see a movie.
 - 意外发生: 但在路上我遇到了严重的交通堵塞 → However, I got stuck in a serious traffic jam on my way there.
 - 结果: 我迟到了半个多小时，电影已经开场了，我们只好取消了计划 → I was late for over half an hour. By the time I arrived, the movie had already started, so we had to cancel our plan.
 - 感受: 我感到非常抱歉，因为浪费了朋友的时间 → I felt really sorry for wasting my friend's time.

3. 收钱做礼物 (Receiving money as a gift)

- 思路: 描述过生日或过年时收到家人的红包作为礼物。
- 逻辑链:
 - 在我过生日的时候，我收到了我父母给的钱作为礼物 → On my last birthday, I received some money from my parents as a gift.
 - 为何给钱: 他们说不知道我喜欢什么，让我自己去买需要的东西 → They said they weren't sure what I liked, so they wanted me to buy something I needed myself.
 - 你的做法: 我用这笔钱升级了我的相机镜头 → I used the money to upgrade my camera lens.
 - 感受: 我觉得这是一种很实用的礼物，我很感激 → I think it's a very practical gift, and I was very grateful for it.

4. 教别人的技能 (A skill you taught someone)

- 思路: 这个用你的爱好来回答更自然。你可以教朋友如何做烘焙或基础摄影。
- 逻辑链:
 - 我教过我朋友做烘焙，具体来说是烤饼干 → I taught my friend how to bake, specifically, how to make cookies.

- 过程: 我们一起去超市买材料, 然后在我宿舍, 我一步步地教他如何混合原料、塑形和控制烤箱温度 → **We went to the supermarket to buy ingredients together. Then, in my dorm, I showed him step-by-step how to mix the ingredients, shape the dough, and control the oven temperature.**
- 结果: 最后我们成功烤出了一盘香喷喷的饼干 → **In the end, we successfully baked a delicious batch of cookies.**

搞定! Tianxiang, 一个精彩的核心经历, 加上几个简单实用的生活小片段, 就能帮你从容应对整个经历类题库了。这个策略能让你在考场上自信百倍!

怎么样, 需要我挑一个话题, 比如“克服困难终成功”, 来给你做一个完整的示范吗?

语料

好的, Tianxiang! 我们来做最后一组, 也是最能展现你口语水平的“经历类”话题。

我们已经有了一个王牌素材——“我的第一次科研与论文发表经历”。这个故事非常饱满, 充满了目标、困难、合作和成功。现在, 我们就以这个核心经历为剧本, 为你量身打造一套专属的语料库, 同时补充一些简单的生活片段来应对其他话题。

核心模块：我的第一次科研与论文发表 (My First Research Project)

经历设定: 作为一名计算机专业的学生, 在导师指导下, 围绕“时间序列”主题进行研究, 历经困难, 最终成功在国际期刊上发表了你的第一篇学术论文。

1. 克服困难终成功 (A time you overcame difficulty to succeed)

- 串题核心:** 科研与论文发表经历
- 思路拓展:** 这是与核心经历最匹配的话题。完整讲述从遇到技术和思路瓶颈, 到与导师讨论、不懈努力, 最终论文被录用的全过程。
- 亮点词汇/短语:**
 - publish my first academic paper:** 发表我的第一篇学术论文
 - processing the time-series data:** 处理时间序列数据
 - debugging the code:** 调试代码
 - in-depth discussions:** 深入的讨论
 - adjust my research plan:** 调整我的研究计划
 - accepted by an international journal:** 被一家国际期刊录用
 - all the effort was worthwhile:** 所有的努力都值得了
- 实用句型:**
 - An experience I'd like to share is about publishing my first academic paper, which was full of challenges. (我想分享的经历是关于发表我的第一篇学术论文, 那段经历充满了挑战。)
 - The main difficulty was that my code kept giving me errors, and I once doubted if my research direction was feasible. (主要的困难是我的代码一直出错, 我一度怀疑我的研究方向是否可行。)
 - To overcome it, I spent days debugging the code and had several in-depth discussions with my supervisor to adjust our plan. (为了克服它, 我花了好几天调试代码, 并和我的

导师进行了数次深入的讨论来调整我们的计划。)

- **Finally, after months of hard work, my paper was accepted, and I felt all the effort was worthwhile.** (最后，经过几个月的努力，我的论文被录用了，我感觉所有的辛苦都值得了。)

2. 被夸赞的经历 (A time you were praised)

- **串题核心:** 科研与论文发表经历
- **思路拓展:** 聚焦于论文被录用后，你的导师通过邮件对你的努力和坚持给予了高度肯定和表扬。
- **亮点词汇/短语:**
 - **got accepted:** 被录用
 - **forwarded the acceptance email:** 转发了录用邮件
 - **did an excellent job:** 做得非常出色
 - **acknowledged my diligence and persistence:** 肯定了我的勤奋和坚持
 - **getting his recognition:** 得到他的认可
 - **the biggest motivation:** 最大的动力
- **实用句型:**
 - **I received some praise from my supervisor after my first academic paper got accepted.** (在我第一篇论文被录用后，我得到了导师的夸赞。)
 - **After I forwarded him the acceptance email, he replied immediately.** (在我把录用邮件转发给他后，他立刻就回复了。)
 - **He said that I did an excellent job and that he really acknowledged my diligence and persistence during the project.** (他说我做得非常出色，并且他非常认可我项目期间的勤奋和坚持。)
 - **Getting his recognition was the biggest motivation for me, and it made me even happier than the acceptance itself.** (得到他的认可是我最大的动力，这比录用本身更让我开心。)

3. 决意等待 (A time you decided to wait for something)

- **串题核心:** 科研与论文发表经历
- **思路拓展:** 描述论文投稿后，那段长达三个月、心情煎熬但又充满希望地等待审稿结果的时期。
- **亮点词汇/短语:**
 - **peer review results:** 同行评审结果
 - **submitted my paper:** 提交了我的论文
 - **lasted for about three months:** 持续了大约三个月
 - **nerve-racking:** 伤脑筋的，使人紧张的
 - **check my email several times a day:** 一天查好几次邮箱
 - **a necessary part of the path to success:** 通往成功的必经之路
 - **worth the wait:** 值得等待
- **实用句型:**
 - **I once had to wait for something very important: the peer review results of my first academic paper.** (我曾必须等待一件非常重要的事：我第一篇学术论文的同行评审结果。)
 - **After submitting my paper, I knew there was nothing I could do but wait, and the process lasted for about three months.** (提交论文后，我知道我无能为力只能等待，这个过程持续了大约三个月。)
 - **That period was quite nerve-racking, and I would check my email multiple times a day, hoping for good news.** (那段时间非常煎熬，我每天会查好几次邮箱，期盼有好消息。)

- Although waiting was hard, the final result proved that it was worth the wait. (虽然等待很难，但最终的结果证明这一切都值得。)

4. 印象深刻的谈话 (An important conversation)

- **串题核心:** 科研与论文发表经历
- **思路拓展:** 讲述在研究陷入僵局时，与导师进行的一次关键对话。导师没有直接给答案，而是通过引导性的提问，帮你找到了新的研究方向。
- **亮点词汇/短语:**
 - **memorable conversation:** 印象深刻的谈话
 - **my research project was not going well:** 我的研究项目进展不顺
 - **felt very frustrated:** 感到非常沮丧
 - **guided me to think:** 引导我去思考
 - **the root cause of the problem:** 问题的根源
 - **words of wisdom:** 充满智慧的话语
 - **enlightened me:** 启发了我
 - **the turning point:** 转折点
- **实用句型:**
 - I had a very memorable conversation with my supervisor when my research project was not going well. (在我的研究项目进展不顺时，我和我的导师有过一次非常难忘的谈话。)
 - Instead of giving me a direct answer, he guided me to think about the root cause of the problem. (他没有直接给我答案，而是引导我去思考问题的根源。)
 - His words of wisdom enlightened me and provided me with a new perspective to solve the issue. (他智慧的话语启发了我，为我解决问题提供了新的视角。)
 - That conversation was the turning point that allowed my research to continue. (那次谈话是我研究得以继续的转折点。)

5. 争论 (An argument)

- **串题核心:** 科研与论文发表经历
- **思路拓展:** 将“争论”定义为一次积极的“学术辩论”，描述你和导师就研究中该使用哪种算法模型而进行的专业、激烈的讨论。
- **亮点词汇/短语:**
 - **an academic argument:** 一次学术上的争论
 - **the focus of the argument:** 争论的焦点
 - **algorithm model:** 算法模型
 - **presented our reasons and data:** 陈述了我们的理由和数据
 - **intense but very professional:** 激烈但非常专业
 - **found a compromise:** 找到了一个折中办法
 - **combined the advantages:** 结合了优点
- **实用句型:**
 - I'd like to describe an academic argument I had with my supervisor about which algorithm model to use in our research. (我想描述一次我和导师就研究中使用哪种算法模型而进行的学术争论。)
 - I preferred a newer model, while he thought a traditional one would be more stable. (我倾向于一个更新的模型，而他认为传统的更稳定。)
 - We both presented data to support our views. The process was intense but very professional. (我们都拿出了数据来支持各自的观点。整个过程很激烈但非常专业。)

- In the end, we found a compromise that combined the advantages of both approaches, and I learned a lot from it. (最后，我们找到了一个结合两种方案优点的折中办法，我从中获益良多。)

6. 校外学到的重要事情 (An important thing you learned outside of school)

- **串题核心:** 科研与论文发表经历
- **思路拓展:** 从科研过程中学到的、课堂上无法教授的最重要的一课——如何面对失败和坚持不懈。
- **亮点词汇/短语:**
 - **outside the classroom:** 在课堂之外
 - **face failure and be persistent:** 面对失败和坚持不懈
 - **a tiny bug:** 一个小小的程序错误
 - **damaging to your confidence:** 打击你的自信心
 - **success is not a smooth journey:** 成功不是一帆风顺的
 - **failure is normal:** 失败是常态
 - **get back up and try again:** 重新站起来再试一次
- **实用句型:**
 - I learned an important lesson outside the classroom while working on my first research project. (在做我第一个科研项目时，我在课外学到了重要的一课。)
 - The lesson was how to face failure and be persistent. (这一课就是如何面对失败和坚持不懈。)
 - I learned that success is not a smooth journey and failure is normal. (我明白了成功之路并非一帆风顺，而失败是常态。)
 - The most important thing is to get back up and try again after you fail. (最重要的是在失败后能重新站起来继续尝试。)

较难串联的话题（单独准备）

以下话题用科研经历来讲述会比较生硬，我们准备一些简单的生活化素材。

7. 糟糕购物 (A bad shopping experience)

- **思路拓展:** 描述一次网购衣服，结果实物与图片严重不符，且退货过程麻烦的经历。
- **亮点词汇/短语:**
 - **a piece of clothing online:** 一件网购的衣服
 - **the actual item:** 收到的实物
 - **terrible color and texture:** 很差的颜色和材质
 - **contacted customer service:** 联系了客服
 - **the return process was very troublesome:** 退货过程非常麻烦
 - **read the reviews carefully:** 仔细阅读评论
- **实用句型:**
 - I once had a bad shopping experience when I bought a jacket online. (我曾有过一次糟糕的网购经历，当时我在网上买了一件夹克。)
 - It looked great in the photos, but the actual item I received had a terrible color and texture. (它在照片里看着很棒，但我收到的实物颜色和材质都很差。)
 - The return process was very troublesome, which made the whole experience even worse. (退货过程非常麻烦，这让整个经历更糟糕了。)

- It taught me that I should always read the reviews carefully before buying anything online. (它教我了一个道理：在网购任何东西之前，都应该仔细阅读评论。)

8. 迟到 / 失约 (A time you were late / missed an appointment)

- 思路拓展: 这两个话题可以合并。描述一次因交通堵塞而迟到，最终错过了和朋友的电影约会。
- 亮点词汇/短语:
 - had an appointment with my friend: 和我朋友有个约会
 - got stuck in a serious traffic jam: 遇上了严重的交通堵塞
 - the movie had already started: 电影已经开场了
 - cancel our plan: 取消我们的计划
 - felt really sorry: 感到非常抱歉
 - wasting my friend's time: 浪费了我朋友的时间
- 实用句型:
 - I remember a time I was late for an appointment with my friend to see a movie. (我记得有一次我和朋友约好去看电影，我迟到了。)
 - Unfortunately, I got stuck in a serious traffic jam on my way there. (不幸的是，我在路上遇到了严重的交通堵塞。)
 - By the time I arrived, I was late for over half an hour, and the movie had already started. (我到的时候，已经迟到了半个多小时，电影都开场了。)
 - We had to cancel our plan, and I felt really sorry for wasting my friend's time. (我们只好取消了计划，我为浪费了朋友的时间感到非常抱歉。)

9. 收钱做礼物 (Receiving money as a gift)

- 思路拓展: 描述生日时收到父母给的红包，并用这笔钱升级了你的相机镜头。
- 亮点词汇/短语:
 - received some money from my parents: 从我父母那里收到了钱
 - weren't sure what I liked: 不确定我喜欢什么
 - upgrade my camera lens: 升级我的相机镜头
 - a very practical gift: 一个非常实用的礼物
 - very grateful: 非常感激
- 实用句型:
 - On my last birthday, I received some money from my parents as a gift. (在我上一个生日，我收到了父母给的钱作为礼物。)
 - They said they wanted me to buy something I truly needed, so they gave me money instead of a physical gift. (他们说希望我买一些我真正需要的东西，所以给了我钱而不是实体礼物。)
 - I used the money to upgrade my camera lens, which was something I had wanted for a long time. (我用这笔钱升级了我的相机镜头，这是我想要了很久的东西。)
 - I think it was a very practical gift, and I was really grateful for it. (我觉得这是一份非常实用的礼物，我非常感激。)

10. 教别人的技能 (A skill you taught someone)

- 思路拓展: 用你的摄影或烘焙爱好来回答。例如，教朋友如何烤饼干。
- 亮点词汇/短语:
 - how to bake cookies: 如何烤饼干
 - buy ingredients: 买原料

- **step-by-step:** 一步一步地
- **mix the ingredients:** 混合原料
- **control the oven temperature:** 控制烤箱温度
- **a delicious batch of cookies:** 一盘美味的饼干
- **实用句型:**
 - I once taught my friend how to bake cookies. (我曾教过我朋友如何烤饼干。)
 - In my dorm, I showed him step-by-step how to mix the ingredients and control the oven temperature. (在我的宿舍里，我一步步地教他如何混合原料和控制烤箱温度。)
 - In the end, we successfully baked a delicious batch of cookies and shared them with our friends. (最后，我们成功地烤出了一盘美味的饼干，并和朋友们一起分享了。)

由于剩余话题在您提供的文档中没有直接的串题方案，我将为您创建符合您个人背景的独立语料。

11. 朋友的争执 / 12. 争论 (An argument with a friend / An argument)

- **思路拓展:** 这个话题可以用“科研经历”中的学术争论来回答，显得更专业、更积极。如果想聊生活化的，可以描述和朋友就“去哪里旅行”计划产生的分歧。
- **亮点词汇/短语:**
 - **a disagreement:** 一次分歧
 - **planning a trip:** 计划一次旅行
 - **had different preferences:** 有不同的偏好
 - **a heated discussion:** 一次激烈的讨论
 - **listened to each other's opinions:** 听取了对方的意见
 - **reached a compromise:** 达成了一个折中方案
- **实用句型:**
 - My friends and I once had a disagreement while planning a trip together. (我和朋友们曾在计划一次旅行时产生过分歧。)
 - I preferred a relaxing beach holiday, while my friend wanted a more adventurous hiking trip. (我倾向于一个放松的海滩假期，而我朋友想要一个更具冒险精神的徒步旅行。)
 - We had a heated discussion, but the key was that we both listened to each other's opinions. (我们进行了一次激烈的讨论，但关键是我们都听取了对方的意见。)
 - Finally, we reached a compromise and decided to go to a place that has both beautiful mountains and a nice coast. (最后，我们达成了一个折中方案，决定去一个既有美丽山脉又有漂亮海岸线的地方。)

13. 印象深刻的英语课 (A memorable English class)

- **思路拓展:** 结合你的“科研经历”，可以描述一堂关于“学术英语写作”的课，这节课直接帮助了你写论文。
- **亮点词汇/短语:**
 - **academic English writing:** 学术英语写作
 - **structure a paper:** 构建一篇论文的结构
 - **use formal language:** 使用正式的语言
 - **incredibly practical:** 难以置信地实用
 - **applied what I learned:** 应用我所学到的
 - **had a direct impact on...:** 对...有直接的影响
- **实用句型:**

- A memorable English class for me was a workshop on academic writing. (对我来说，一堂难忘的英语课是关于学术写作的研讨会。)
- The teacher taught us how to properly structure a research paper and use formal academic language. (老师教我们如何正确地构建一篇研究论文以及使用正式的学术语言。)
- It was incredibly practical, and I immediately applied what I learned to the paper I was writing at that time. (那堂课非常实用，我立刻将所学应用到了我当时正在写的论文中。)
- That class had a direct impact on my research project, which is why I remember it so clearly. (那堂课对我的研究项目有直接的影响，所以我记得特别清楚。)

14. 计划多人活动 / 15. 与朋友做的有趣决定 (Planning a group activity / An interesting decision with friends)

- 思路拓展: 这两个可以合并。描述和朋友们一起决定并计划一次周末去九华山的徒步旅行。
- 亮点词汇/短语:
 - organize a group activity: 组织一次集体活动
 - a weekend hiking trip: 一次周末徒步旅行
 - get away from the city: 逃离城市
 - in charge of booking transportation: 负责预订交通
 - created a group chat: 建了一个群聊
 - worked together smoothly: 合作得很顺利
 - a memorable trip: 一次难忘的旅行
- 实用句型:
 - My friends and I once made an interesting decision to organize a weekend hiking trip to Jiuhua Mountain. (我和朋友们曾做过一个有趣的决定，组织了一次去九华山的周末徒步旅行。)
 - We created a group chat to discuss the details, and each of us was in charge of a different part of the plan. (我们建了一个群聊来讨论细节，每个人负责计划的不同部分。)
 - For example, I was in charge of booking transportation and accommodation. (比如，我负责预订交通和住宿。)
 - Everything went smoothly because of our clear plan, and we had a very memorable trip. (因为我们清晰的计划，一切都进行得很顺利，我们有了一次非常难忘的旅行。)
