3. 孩子们更听谁的话, 父母还是老师? 为什么? 说服孩子的一些好方法是什么?

A:

1. 分析孩子更听谁的话，并说明原因（中文）

I think children listen to both their parents and their teachers, but it depends on the situation. Parents are usually seen as family and are there all the time, so children might listen to them more for home things or feelings. Teachers are seen as authority figures at school, so children might listen to them more for schoolwork and rules.

我认为孩子既听父母的也听老师的话，但这取决于具体情况。父母通常被视为家人，总是在身边，所以孩子可能在家庭事务或情感方面更听父母的。老师在学校被视为权威人物，所以孩子可能在学业和规则方面更听老师的。

2. 提供说服孩子的有效方法（中文）

As for good ways to persuade children, I think it's important to explain why something is important or good in a simple way. Also, it helps to be patient and lead by example.

Sometimes, offering a small reward or making it fun can also help.

Of course, listening to older people's advice is smart, but they should also think for themselves and make their own choices. Taking care of their health is very important too.

此外，善待他人并追逐梦想是好的。他们应该尝试新事物，即使有点害怕。当然，听长辈的建议是明智的，但他们也应该独立思考并做出自己的选择。照顾好自己的健康也非常重要。
