- A: 1. **思路:** 交代事件發生的時間和地點，為故事打下基礎。 Last year, I went to a supermarket near my school to buy snacks. 去年，我去了學校附近的一家超市買零食。
2. **思路:** 引入抽獎活動，並解釋為什麼需要“等待”。這裡把等待的“東西”具象化為抽獎結果。 The supermarket had a special event. If you bought enough things, you could join a lucky draw. I was very excited to try, because the prizes looked amazing! After I picked my snacks, I went to the draw counter. The staff told me I needed to wait for a few minutes for them to check my receipt and then I could draw one ticket. So, I waited patiently. 超市裡有一個特別的活動。如果你買的東西夠多，就可以參加抽獎。我非常興奮地想試一試，因為獎品看起來很棒！我選好零食後，就去了抽獎台。工作人員告訴我，我需要等幾分鐘，讓他們檢查我的收據，然後我就可以抽一張券。所以，我耐心等待著。
3. **思路:** 描述等待的具體“事物”——大獎，並強調其“特別”性。 I was really hoping to win something good. I mean, who doesn't like a surprise? When it was my turn, I closed my eyes and picked one ticket. Then, I opened my eyes and saw... I had won the grand prize! It was a big gift package full of delicious snacks and even a voucher for my next shopping trip. This was definitely the special thing I was waiting for! 我真的希望能中點好東西。誰不喜歡驚喜呢？輪到我的時候，我閉上眼睛，抽了一張券。然後，我睜開眼睛，看到.....我中了頭等大獎！那是一個裝滿了美味零食的大礼包，甚至還有一張下次購物的代金券。這絕對是我一直在等待的“特別的東西”！
4. **思路:** 描述中獎後的感受和事件帶來的積極影響，總結這次特別的經歷。 I was so happy and surprised! I couldn't believe my luck. It felt like a small victory in my day. This experience taught me that sometimes, good things come when you least expect them, and it's always fun to try something new. It was a memorable moment that made my day extra special. 我当时非常高兴和惊讶！我简直不敢相信我的运气。这感觉就像是我一天中的一个小胜利。这次经历教会我，有时，美好的事情会在你最不经意的时候到来，而且尝试新事物总是很有趣的。那是一个难忘的时刻，让我的这一天变得格外特别。
