

Being busy

题目

1. Are you often busy?
2. Why are you busy?
3. When are you busy?
4. Are you busier now than when you were a child?

回答

Are you often busy? 你经常忙吗?

A: **Yes, I'm usually quite busy.** I have classes and research work to do every day. But I try to make time for my hobbies too. 是的，我通常很忙。我每天都有课和研究工作要做。但我也尽量为我的爱好腾出时间。

Why are you busy? 你为什么忙?

A: **Mainly because of my studies.** I'm a computer science student, so I have many assignments and projects. Also, I do research in time series analysis, which takes a lot of time. 主要是因为我的学习。我是计算机专业的学生，所以有很多作业和项目。另外，我研究时间序列分析，这需要很多时间。

When are you busy? 你什么时候忙?

A: **I'm busiest during weekdays.** Mornings are for classes, and afternoons are for research work. Evenings are when I can relax a bit, unless I have deadlines. 我工作日最忙。上午上课，下午做研究工作。晚上可以放松一下，除非我有截止日期要赶。

Are you busier now than when you were a child? 你现在比小时候更忙吗?

A: **Definitely, much busier now.** When I was a child, I just went to school and played. Now I have more responsibilities with studies and research. But I enjoy being productive. 当然，现在忙多了。小时候，我只是上学和玩耍。现在我在学习和研究方面有更多责任。但我喜欢高效地工作。
