回答

When did you start using the internet? 你什么时候开始使用互联网?

A: **I first started** using the internet when I was in primary school. **At that time, I mainly used it** to play simple online games and watch cartoons. **It was** really exciting to discover this new world. 我第一次使用互联网是在小学的时候。那时我主要用它玩简单的在线游戏和看动画片。发现这个新世界真的很令人兴奋。

How often do you go online? 你多久上一次网?

A: **I go online** almost every day because **I need to** check emails for school and do research. **I also like to** browse social media in my free time to relax. **It has become** a part of my daily routine. 我几乎每天都上网，因为我需要查看学校的邮件和做研究。我也喜欢在空闲时间浏览社交媒体来放松。这已经成为我日常生活的一部分。

How does the internet influence people? 互联网如何影响人们?

A: **The internet has** a big influence on people. **It helps us** learn new things and stay connected with friends. **However,** sometimes **it can be** distracting if we use it too much. **Overall, it makes** life more convenient. 互联网对人们有很大的影响。它帮助我们学习新事物并与朋友保持联系。然而，如果我们使用太多，它有时会让人分心。总的来说，它让生活更方便。

Do you think you spend too much time online? 你觉得你在网上花的时间太多了吗?

A: **Sometimes I think** I spend a bit too much time online, especially when I'm scrolling through videos. **But I try to** balance it with other activities like reading or exercising. **It's important to** take breaks from screens. 有时我觉得我在网上花的时间有点多, 尤其是当我刷视频的时候。但我试着用其他活动来平衡, 比如阅读或锻炼。从屏幕前休息一下很重要。

What would you do without the internet? 如果没有互联网你会做什么?

A: **Without the internet, I would probably** read more books and spend time outdoors. I **might also** hang out with friends in person instead of texting. **Life would be** simpler but less convenient. 如果没有互联网, 我可能会读更多的书并在户外度过时间。我也可能亲自和朋友出去玩, 而不是发短信。生活会更简单但不太方便。
