题目

1. When do you usually eat snacks now?
2. Do you think it is healthy for you to eat snacks?
3. Did you often eat snacks when you were young?
4. What snacks do you like to eat?

回答

When do you usually eat snacks now? 你通常什么时候吃零食?

A: I often eat **snacks** in the afternoon, especially when I feel a bit hungry **between meals**. Sometimes I also have some in the evening while watching movies. 我经常在下午吃零食，尤其是两餐之间有点饿的时候。有时晚上看电影时也会吃一些。

Do you think it is healthy for you to eat snacks? 你认为吃零食对你健康吗?

A: It depends on what kind of **snacks** I eat. If I choose fruits or nuts, it's quite healthy. But if I eat too many sweets, it's not good for me. 这取决于我吃什么样的零食。如果我选择水果或坚果，就挺健康的。但如果吃太多甜食，就对我不好。

Did you often eat snacks when you were young? 你小时候经常吃零食吗?

A: Yes, I did. I used to eat **snacks** almost every day after school. My favorite was **biscuits** and **chips**, and I always bought them from small shops near my home. 是的，经常吃。我过去几乎每天放学后都吃零食。我最喜欢的是饼干和薯片，而且总是从家附近的小店买。

What snacks do you like to eat? 你喜欢吃什么零食？

A: I really like chocolate and ice cream, but recently I've started eating more fruit like apples and bananas. They are sweeter and healthier. 我真的很喜欢巧克力和冰淇淋，但最近我开始吃更多水果，比如苹果和香蕉。它们更甜也更健康。
