回答

Describe something your friends disagree about. 描述一件你的朋友们有不同意见的事情。

A: 1. **思路:** 首先引出这个话题，说明是关于选择餐厅的一件小事。

I'd like to talk about something my friends and I had different ideas about. It was about choosing a place to eat dinner together.

我想说说我和朋友们有不同想法的一件事。那是关于一起选个地方吃晚饭的事情。

2. **思路:** 描述事情发生的时间和地点，引出朋友们的不同喜好。

This happened maybe a month ago, on a Saturday evening. We were all in Chengdu, and Chengdu has so much good food, you know. My roommate, Ruijie Liu, and some other friends, were with me. 这件事大概发生在一个月前，一个周六的晚上。我们都在成都，你知道，成都的美食非常多。我的室友，Ruijie Liu，还有一些其他朋友，都和我在一起。

3. **思路:** 具体说明分歧的内容，即不同的食物偏好。

So, some of my friends really wanted to have hotpot, which is a very famous kind of Sichuan food, very spicy and tasty. But I, and a couple of others, really felt like having BBQ that night. We love meat and BBQ too. 所以，我的一些朋友们非常想吃火锅，那是一种很有名的川菜，非常辣也很美味。但是我，还有其他一两个人，那天晚上特别想吃烧烤。我们也喜欢肉和烧烤。

4. **思路:** 解释分歧的原因以及大家当时的感受。

It was a little tricky because everyone really wanted their favorite food. No one really wanted to give up their idea. So, we had a small talk about it, trying to decide where to go. 这有点棘手，因为每个人都特别想吃他们最喜欢的食物。没有人真正想放弃自己的想法。所以，我们就此聊了一会儿，努力决定去哪里。

5. **思路:** 阐述分歧是如何解决的，以及最终的结果。

After some friendly discussion, Ruijie had a good idea. She suggested we could go for BBQ that night, and then we could go for hotpot the next weekend. We all thought that was a great plan! We were all happy with this solution. 经过一番友好的讨论，Ruijie 有了一个好主意。她建议我们那天晚上可以去吃烧烤，然后下个周末再去吃火锅。我们都觉得那是个很棒的计划！我们都对这个解决方案很满意。
